MEDICAID MANAGED CARE DISENROLLMENT NOTICE

Important information about your Medicaid benefits

You are being disenrolled from your Medicaid Managed Care plan.

Your managed care coverage is changing.

<first_name_recip>, this notice is to inform you that you have been disenrolled from managed care. You still have Medicaid coverage however, your enrollment with <AssignedManagedCarePlan> will end on <PMPenddate>. You are being disenrolled because you are no longer eligible for Ohio's managed care program. <AssignedManagedCarePlan> will cover your Medicaid benefits through <PMPenddate>.

You will have traditional Medicaid.

- You will transition to traditional Medicaid for your Medicaid benefits once your <AssignedManagedCarePlan> enrollment ends on <PMPenddate>. Traditional Medicaid will begin <MedicaidDate>. You will soon receive a paper medical card in the mail to present to your health care providers.
- If you regain managed care eligibility within the next 90 days, you may be re-enrolled back in <AssignedManagedCarePlan>.
